(A consent agenda is a way the Board of Governors can approve many motions at the same time to improve efficiency at the meeting. Most motions on a consent agenda have already been discussed at a previous Board Committee meeting. According to the Brown Act [California Government Code Section 54954.3(a)], the agenda need not provide an opportunity for public comment on any item that has already been considered by a committee. Sometimes routine motions are placed on the consent agenda by staff, and those have motion numbers that start with “BOG”.)
